

Research Students Advisory Group

Terms of reference

The Research Students Advisory Group advises the Coordinator Research Students Centre in relation to student expectations of service provision by the Centre. The Group reports the Director Research and Research Training on Students' views on matters including:

- policy and procedure reviews
- web page developments
- RSC business processes
- Infrastructure requirements
- Training needs
- Other issues as raised by students.

Membership

Coordinator Research Students Centre (Chair)
9 x Faculty Student Nominees

Others may be invited to attend as required.

Frequency of meeting

The Research Students Centre Advisory Group will meet 3-4 times per year.
