

SUGAR RESEARCH DEVELOPMENT CORPORATION SCHOLARSHIPS

Three new SRDC funded scholarships are available to foster postgraduate training in technical or social disciplines relevant to SRDC's research priorities. Information on SRDC's research priorities is available in the SRDC R&D Plan at <http://www.srdc.gov.au/pages.aspx?id=17>.

Scholarship Project Proposals may be for PhD, Masters, Graduate Diploma or Graduate Certificate. SRDC will consider part time scholarships for course work studies.

Scholarships are available to permanent residents and/ or citizens of Australia for studies commencing between January and March 2009. Scholarships provide \$26,000 stipend and \$6,000 towards operating costs or fees per year for up to three years of full time study, and \$1,000 for thesis publication costs.

Applications for all proposals must be submitted by 15 September 2008 to apply@srdc.gov.au using the appropriate application form.
