

# Statistical Support for Postgraduate Students

## Individual Consultation sessions available

**With: Susan Barrett**

Associate Lecturer  
School of Mathematical Sciences  
Queensland University of Technology  
Brisbane QLD 4001

**Venue:** Room 411, O Block,  
Gardens Point Campus

**phone:** +61 7 3138 2313

fax: +61 7 3138 2310

Email: [susan.barrett@qut.edu.au](mailto:susan.barrett@qut.edu.au)

**When:** Weekly on Wednesday's from 9.30 – 11.30, except Wednesday 25<sup>th</sup> April, which is a public holiday. That week consultation sessions will be on Friday 27<sup>th</sup> April from 2.00-4.00pm

**Please contact [Susan](mailto:susan.barrett@qut.edu.au) to make an appointment because she can't guarantee to be in her office otherwise.**

## SPSS tutorials to complement the Statistical Symposia

**Who: Susan Barrett**

**Where:** O508 from 11.00am to 1.00pm

**When:** 16<sup>th</sup> April – [Introduction to SPSS](#)

23<sup>rd</sup> April – [ANOVA in SPSS](#)

30<sup>th</sup> April – [Regression in SPSS](#)

**What and Why:** These tutorials follow on from the four statistical thinking sessions, but are not compulsory. These extra sessions are based on the lecture content of the four sessions, demonstrating how to perform the given examples in SPSS. These sessions will instruct students how to:

- enter data,
- recode data
- perform the analyses presented in the previous four statistical sessions.
  
- Session 1: Introduction to SPSS
- Session 2: ANOVA in SPSS
- Session 3: Regression in SPSS

**Note the sessions are limited to 20 participants so please register to attend.**

If you wish to register for these sessions then please contact [training.rsc@qut.edu.au](mailto:training.rsc@qut.edu.au) or see the [list of events](#) offered for Semester 1.

*Sponsored by Research Students Centre in association with the Faculty of Science, School of Mathematics*
